

A Tonic Free from Alcohol

Are you pale, weak, easily tired, and do you lack nerve power? Ask your doctor if Ayer's Sarsaparilla would not be good for you. He knows, and will advise you wisely. Not a drop of alcohol in this medicine. It puts red corpuscles into the blood, gives steady, even power to the nerves; and all without stimulation. Make no mistake. Take only those medicines the best doctors endorse. Ask your own doctor.

SPORTS

By H. M. AYRES.

ANGUS M'PHEE BRINGS MUCH SPORTING NEWS FROM MAUI

Angus McPhee, ex-champion roper of the world, and now one of the leading men on the Valley Isle, is in town for a week's vacation.

He brought a budget of sporting news from the Valley Isle, but this might have been expected, for there is little doing on Maui in the line of sport in which the tall cowboy doesn't have a finger.

"Mack" thinks that the Puunene rowers have a very fair chance of annexing the barge championship on Regatta Day. He says that the Mauiites have done very good work in Kahului harbor, and thinks that if they keep their heads in the race they will not be far behind at the finish. Lack of racing experience is what will tell most against them, says McPhee.

Fred M. Church, the well-known all-round athlete, thinks well of the chances of the Puunene sextette, and is of the opinion that they will spring a surprise on the 16th prox.

McPhee brings the news that the good sportsman, Dr. Fitzgerald, and proposition to build a track in Honolulu. His mare Lady Bernice has a pet, and that he will send her to promising foal by Warning, of which Warning. He will first make sure, he expects great things.

THE NEW LAW ABOUT THE DATES TO BEGIN HUNTING

A great many sportsmen seem to be of the opinion that pleasant-shoot first day of May and the fifteenth day commences on September 15, this year, as has been the case in previous years.

As a matter of fact, the open season for the long-tails will not come into effect until October 1 and will close on February 1 instead of March 1, as has been the case heretofore, by virtue of the act passed by the last legislature.

That the setting back of the date of the season's opening is a good day thing is shown by the fact that a local sportsman last week came across full-grown birds of the year, half-grown birds, chicks and a nest with nine eggs in it.

The new act is as follows, and should be read with interest by all devotees of the breechloader: "Section 1. Section 459 of the Revised Laws of Hawaii is hereby amended to read as follows: "Section 459. It shall be unlawful to take, kill or destroy any migratory wild duck, plover, snipe, turnstone, teal upon its approval."

CHAMPION PUG IS COMING HERE

Al Kaufman will be passing through Honolulu shortly en route to Australia where he goes to challenge the winner of the Jester-Lang contest.

There has been some talk about an exhibition being arranged by the Honolulu Amusement Company with the big white boxer as the star feature.

No one in town could be found to go on with him in an exhibition bout, however, and it looks as if the proposition would have to fall through.

Dick Sullivan stated this morning that he would be willing to box an exhibition bout with Kaufman and now that this is known such an event should not be difficult to arrange.

Sullivan, while much lighter than Kaufman, is still and rangy, and has been keeping himself in good shape. He and Kaufman should make a good drawing-card between them.

AFTER A BARGE

The Hui Nalus may be able to secure the use of the Alf. Rogers, the good old barge owned by the Myrtle Rowing Club, for the crew which they intend to enter in the junior barge race to be rowed on Regatta Day.

Archie Robertson put the matter up to the Myrtles yesterday and will get an answer this afternoon.

The Myrtles are good sportsmen and it is very probable that they will allow the new club the use of their old boat.

As soon as the barge question has been settled a crew will be selected and training in the harbor commenced right away.

however, that he cannot patch her up so that a short race can be squeezed out of her next Fourth of July.

Fitzgerald has sold his crack Hawaiian-bred youngster Athlone to Frank Baldwin, who will try to make a polo pony out of the horse. He is said to have received a good round sum for the good-looking son of Royal F.

He has a half-brother to Athlone which, McPhee believes, will turn out to be a better race horse than the one which the doctor disposed of.

McPhee says that Maui, the Maui pacer, has been worked steadily since his race with Denervo last Fourth of July. His connections' idea is to ship him to Hilo for the big pacing race to be given there on New Year's Day. In that race Denervo, according to the conditions of the race, will be driven by Louis Morrell, and this should certainly afford the Maui horse a rosy chance of pulling down the purse.

McPhee is greatly interested in the proposition to build a track in Honolulu. His mare Lady Bernice has a pet, and that he will send her to promising foal by Warning, of which Warning. He will first make sure, he expects great things.
